

A Publication of Dave & Lynne Johnson

Caronport

After a long day with many challenges the team arrived about mid-night and quickly unloaded the bus. At one o'clock in the morning they fell into bed. Sunday morning the team joined the church for their Easter service and baptism. The service was alongside a stream and at the foot of a waterfall. Following the service each family prepared food and we cooked hamburgers. It was so interesting to go around and sample so many different dishes. Later in the afternoon people went home satisfied with full stomachs and having experienced an awesome day. Caronport does a great job presenting a children's program at the local church. This team is well prepared and it shows in the quality program. They also installed the insulation and hung the sheetrock in two classrooms at the church.

Do not store up riches for yourselves here on earth, where moths and rust destroy, and robbers break in and steal. Instead, store up riches for yourselves in heaven, where moths and rust cannot destroy, and robbers cannot break in and steal. For your heart will always be where your riches are.

Matthew 6:19-21

Drama Debut

For the first time since grade school Dave was in a drama. The drama director asked him to be "King Herod" in the Easter production and with the youth cheering him on he was pressured into accepting. Being involved in their drama was just another example to us of what a blessing it is to be in God's perfect place. The people in San Vicente have done so much to make us feel welcome and a part of their church.

Special Dinner

Caronport team prepared a very special candlelight dinner for our Pastor and his wife complete with white shirts, black pants, a white towel over the arm and live music. The honored couple cried and said they had only seen this type of service in the movies.

Lynne and I were honored to be included in this show of respect for a couple who have given the past nine years to serving the people in San Vicente and leading by example what it means to be a servant and to serve others before self.

Guaymas

July 22-30 we will be partnering with the local San Vicente church for their third annual short term missions trip. The team will be constructing a classroom and holding children's ministries.

MDU

The mobile dental unit (MDU) was in use again for a week with a team from Vancouver, B.C., Canada. With two dentists and several students assisting we served with a ministry a few miles south of San Vicente. During the five days 221 people received dental care. Both dentists worked each day until everyone who came had been treated. Each person received a Gospel of John, toothbrush and toothpaste. Our prayer is that each one will give consideration to the gift of forgiveness and the love God desires to give each and every person.

Praise & Prayer

- Praise for continued good health
- Pray for our summer outreach events and the teams which will be partnering with us
- Praise for wonderful partnership with local church
- Pray for us as we endeavor to disciple the "Angels", our Mexican youth team
- Praise for faithful financial partners
