

M.A.S.H./Outreach Teams in and around Loreto, B.C.S.

DATES & INTRODUCTORY INFORMATION

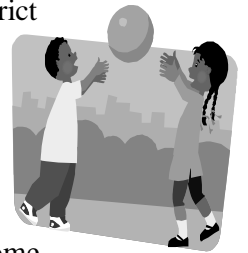

Almost every month of the year we have Weekender Teams coming to assist us with our evangelistic Health Fairs that we hold in various parts of Baja Sur, Mexico. People generally arrive in Loreto on Friday and leave on Monday or Tuesday. Alaska Airlines, and others fly into Loreto on these days from Los Angeles; and we also often have people coming in private planes as well. So if you were to join us these are two options that you have, as well as coming by bus or car... (Please contact the Mexican Medical Ministries' office for more information.)

Our Weekender Teams, are for 4-5 days..., but we often need people to come for longer — especially to help us with all the preparations for these events. Also if you were able to stay longer, then we could do more... For example, we could hold our Health Fairs on Monday and Tuesday, as well as on Saturday and Sunday... Or we could do other kinds of M.A.S.H. programs, or Outreaches — maybe something for children, or for teens, or for women, or maybe we could help with construction needs at a local church or maybe a Pastor's home...

There are many needs, and therefore many opportunities... We do not want to restrict the length of time that people can come and help us, nor do we want to restrict your coming to just the Team dates we have posted on our website... We are interested in utilizing your gifts and experience, to help meet the needs here in our area...

Therefore if you are interested in coming alone, or as a couple, or as a family, or as a team from your church — please just email us and let us know of your interest. We will then work with you, with regards to when and how long you would like to come, and tailor a missions outreach program with you in mind.

Costs will depend on how long you wish to come and what you would like to do, and how basic or luxurious might be the hotel that you would like to stay at — we can send you information on various options. Also the cost will vary depending on whether you'd like to eat in restaurants or in homes... Another option to consider might be camping or tenting..., because of our wonderful weather here...

In summary:

- If God has placed an interest in your heart, we'd like for you to come...
- Regarding dates: you can come almost anytime, for any length of time...
- We can tailor our missions outreach programs to your interests and abilities...
- And the costs can be made as reasonable as you would like...

Please send us an email at loreto.ministries@gmail.com, and we will be in touch...

Warmly,

Don & Lorraine
