

REPORT FOR 'WEEKENDER TEAMS'

October 2008 - May 2009

And looking ahead to this fall, and to 2010...

Thank you so much for your participation with us this past year, whether it has been by prayer, by financial support or by personal participation... Many people have been helped physically and spiritually. So thank you for helping to make this a reality. We've really had ANOTHER GREAT YEAR!

This year we've had less people from the US and Canada join our Teams..., but we've had more people join our Teams from Mexico... In fact we have had 19 people come from the US and 2 people from Canada; but 61 people from Mexico... (Also, some people have come more than once, just to be clear...)

In addition, we have also had many people working with us from the local Churches in each of the places we have taken our Health Fairs to... **So praise the Lord with us, for all of these people that have worked hard to make these Health Fairs a great success!**

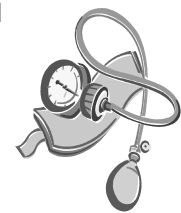

Since last fall we have taken our Health Fairs to Loreto, Santa Rosalía, Constitución, San Bruno, and Santo Domingo. We will have worked with 8 different evangelical Churches — some smaller than in previous years, and that is good! Also we have been at the State Prison in Santa Rosalía two times this past year...

This past year we have held 12 Health Fairs, with the following totals...

- Team participants (as noted above)..... **82 people**
- Total combined attendance.....**1075 people**
- Dentists helped..... **270 people**
- Doctors helped..... **294 people**
- Chiropractors/Acupuncturists helped..... **24 people**
- Gave out free glasses to..... **540 people**
- Prayed to receive Christ..... **125 people**
- Others prayed for..... **many people...**

**So much to praise the Lord for!
Thank you for your many prayers!
And thank you too for your financial support!**

Please continue to pray for all of these people, many had never heard before that by believing in Jesus Christ they could have a meaningful and eternal relationship with God. Many people were also very impressed with the love of Christ as it was shown to them... Pray that they will read the Gospels of John that they were each given... Please also pray for the ministry that we have into the lives of each of the participants in our Teams — from Canada, the US, and Mexico...

Please put the following dates on your calendar, and then pray that God will supply the needed workers, and the necessary finances; and also pray that many more people will be blessed through this ministry in the coming year. Also if you think you might be able to join one of our Teams, please send us an email at loreto.ministries@gmail.com and we will be glad to send more information to you.

These are the dates that are now set for this next year:

2009:	October 23-27	November 8-15*	November 13-17
2010:	January 22-26	February 19-23	March 14-21*
	March 19-23	April 23-27	May 21-25

Most of these dates are for **Weekender Teams**, which you are welcome to add days to for personal time in Loreto, or with us... Longer Teams are our **M.A.S.H.Teams** and they are marked with an asterisk.*

Thank you again for your prayers and support!
