

Report for 'Weekender Teams'

October 2008 - May 2009

And looking ahead to this fall, and to 2011...

Thank you so much for your participation with us this past year, whether it has been by prayer, by financial support or by personal participation... Many people have been helped physically and spiritually. So thank you for helping to make this a reality. We've really had ANOTHER GREAT YEAR!

This year we've had less people from the US and Canada join our Teams..., but we've had more people join our Teams from Mexico... In fact we have had 16 people come from the US and 8 people from Canada; but 69 people from Mexico... (Also, some people have come more than once, just to be clear...)

In addition, we have also had many people working with us from the local Churches in each of the places we have taken our Health Fairs to... **So praise the Lord with us, for all of these people that have worked hard to make these Health Fairs a great success!**

Since last fall we have taken our Health Fairs to Loreto, Santa Rosalía, San Lucas, Mulegé, Constitución, Insurgentes, and Melitón Albañez. We have worked with 8 different evangelical Churches - some smaller than in previous years, and that's good! Also we've been at the State Prison in Santa Rosalía two times this past year...

This past year we have held 12 Health Fairs, with the following totals...

- Team participants (as noted above)..... **93 people**
- Total combined attendance.....**1299 people**
- Dentists helped.....**236 people**
- Doctors helped..... **500 people**
- Gave out free glasses to..... **619 people**
- Prayed to receive Christ..... **84 people**
- Others prayed for..... **many people...**

**So much to praise the Lord for!
Thank you for your many prayers!
And thank you too for your financial support!**

Please continue to pray for all of these people, many had never heard before that by believing in Jesus Christ they could have a meaningful and eternal relationship with God. Many people were also very impressed with the love of Christ as it was shown to them... Pray that they will read the Gospels of John that they were each given... Please also pray for the ministry that we have into the lives of each of the participants in our Teams — from Canada, the US, and Mexico...

Please put the following dates on your calendar, and then pray that God will supply the needed workers, and the necessary finances; and also pray that many more people will be blessed through this ministry in the coming year. Also if you think you might be able to join one of our Teams, please send us an email at loreto.ministries@gmail.com and we will be glad to send more information to you.

These are the dates that are now set for this next year:

2010:	October 1-4	November 7-14*	November 12-15
	December 3-6		
2011:	January 21-24	February 18-21	March 13-20*
	March 18-21	April 29 - May 2	May 27-30
	October 7-10	October 30-Nov. 6*	November 4-7
	December 2-5		

Most of these dates are for **Weekender Teams**, which you may add days to for additional ministry Opportunities, or for personal time in Loreto, or with us... Our Longer Teams are our **M.A.S.H. Teams** and they are marked with an asterisk*, and again you're welcome to add days to these teams as well...

Thank you again for your prayers and support!
